

AutoSoft's 1st Users Conference

As we celebrate 25 years of operations, we are proud to welcome you to our 1st Users Conference on April 17, 2025.

- Hear from the leaders at **Faysal Bank**, as they showcase one of the industry's largest transformative journeys to Islamic Banking - the conversion of existing portfolio and future lending landscape with our cutting-edge banking solutions. Don't miss this exclusive showcase at our first Users Conference!
- Discover how **Al Baraka Bank** is utilizing our new roadmap-based enhancements and compliance support. Join their exclusive session to learn more!
- Uncover the remarkable journey of **Halan Microfinance Bank**, transforming from contract signing to live operations in just five months - experience innovation in action!
- Our product suite's roadmap discussion with stakeholders.
- Knowledge sharing break-out sessions with power users of Core, Treasury, LOS, Trade, HRMS, and other modules from our suite.
- Recognition, giveaways, impactful networking opportunities, and more!

We look forward to forging a strong culture of experience sharing, learning and growth amongst our community!

Notable Client Highlights

Our banking solutions drive rapid transformation, enabling clients to achieve growth with speed and precision. With a proven track record, we empower financial institutions to enhance operations and stay ahead in a competitive market.

- **Halan Microfinance Bank** - First Customer live on our new microservices release. Successfully migrated data for 19 branches in a Big Bang approach and implemented 5 new branches, all within six months from contract to go-live.
- **Mobilink Microfinance Bank** - Went live Nov 2024 with our Treasury Automation System (Five months from contract to launch).
- **FINCA** - Enabled Top-up Loan functionality, leveraging increasing liquid collateral value to meet customer expectations with swift time-to-market delivery.

Dedicated Professional Services

At AutoSoft, we prioritize efficiency, cost savings, and speed for our clients. Our Dedicated Professional Services Model offers exclusive resources for your projects at a discounted rate.

Benefits include:

- Faster time to market with skilled professionals
- Optimized costs through dedicated resources
